FARM HANDS ADOPT NEW

"The Most Trustworthy Tires Built"

The Development of Nearly 20 Years of Study and Test by Barney Oldfield the Greatest Tire User in the World.

> Barney Oldfield had to have tires he could trust-tires that would stand the terrific strain and grind of the race track and transcontinental trail.

> So he developed Oldfield tires, improved them year by year, till they showed themselves fully worthy of the trust he placed in

Now the Oldfield Tire Brings to You the Benefits of This Unique Tire Research and Experience.

Ride on Oldfields. You will learn to trust them as Barney Oldfield
